Dear Authors،

Greetings from Effat University، Jeddah، KSA!

it's our great pleasure to invite you to participate in the 19th Learning and Technology International Conference (L&T 2022) which will take place on the 24th of January 2022، at Effat University، Jeddah، KSA.

Please note that all published papers in the conference will be published in the Elsevier Journal: Procedia Computer Science، and indexed in Scopus.

This year's conference theme is "Space Exploration and AI". The conference will bring together decision-makers، scientists، engineers، educators in the field of AI and Space Exploration، and top keynote speakers to stimulate discussion covering the latest on Space Exploration and AI applications، innovations، and discoveries.

L&T 2022 themes include، but are not limited to:
• Space Exploration and AI
• Human-Robot Interactions (HRI)
• Healthcare and Telemedicine
• Networking، Communication، and Cybersecurity
• Innovative in Learning Methodologies

Important Dates:

Full Paper Submission: 31st October 2021
Author Notification: 21st November 2021
Camera-ready Submission: 31st December 2021
Conference: 24th January 2022
