

2ND INTERNATIONAL CONFERENCE ON MASJID, ZAKAT, AND WAQF 2015 (IMAF 2015)
1ST TO 2ND DECEMBER 2015
KUALA LUMPUR, MALAYSIA

INTRODUCTION

This conference will be in three languages: Malay language, English Language and Arabic Language. Masjid, Zakat and Waqf: Contemporary Challenges and Solution, Will be held in Kuala Lumpur on 01-02 DECEMBER 2015

Masjid, Zakat and Waqf are the most important elements in the development of Insan, Social, state, and ummah (nation). These three elements are strongly related to each other. The roles and significance of these elements should be seen comprehensively and integrally, especially in its relation to the Insan, Social, state, and ummah. The main role of the Masjid is to be the centre of daily life for insan and ummah, which leads to improve the understanding of the religion. It will realize through education programme, creating a system for zakat's collection and distribution, and controlling waqf and serve ummah in their needs. Thus, the integrational function on Masjid, Zakat and Waqf are very important towards strengthening relation and cooperation between these three elements.

Recognizing the importance of Masjid, Zakat, and Waqf in social and nation development, Al-Azhar Masjid, Selangor International Islamic University College (SIIUC) will continue to organize the international conference on Masjid, Zakat, and Waqf. This conference gives opportunity to discuss, present, and knowledge sharing among the participants, which is related to Masjid, Zakat, and Waqf theoretically and practically. This conference also focuses on research and study that includes all scientific fields and current issues and challenges.

Main objectives of this conference are:

1. Strengthen and establish the position of Masjid, Zakat and Waqf locally, nationally and globally.
2. Identifying issues related to Masjid, Zakat and Waqf theoretical and practical.
3. Submitting and giving solution on the issues related to Masjid, Zakat and Waqf.
4. Improving the management and administration of Masjid, Zakat and Waqf.
5. Optimizing the role of Masjid, Zakat and Waqf in Ummah development.
6. Providing individuals who are ready and able to face issues and challenges related to Masjid, Zakat and Waqf.
