OVERVIEW

INTED2016, the 10th annual International Technology, Education and Development Conference will be held in Valencia (Spain), on the 7th, 8th and 9th of March, 2016.

INTED is one of the largest international education conference for lecturers, researchers, technologists and professionals from the educational sector. After 10 years, it has become a reference event where more than 700 experts from 80 countries will get together to present their projects and share their knowledge on teaching and learning methodologies, educational innovations and experiences in technology and development.

INTED is more than a conference, it is an ideal platform for strategic international networking. The best place to present your innovations and projects about education and technology.

TOP 5 REASONS TO ATTEND INTED2016

– Present your projects and experiences in one of the largest international conferences on education
– Interact with international educators and technologist for future cooperation
– Meet 700 participants from more than 80 countries
