Since the first edition in 2016, SLDT conferences have grown to become the must-attend experiences for academics and professionals in Education. The conferences provide real learning and networking opportunities, while maintaining a close-knit, intimate environment that attendees prefer. A broad range of Learning Design topics, including significant developments as well as innovative uses of technology that promote learning, performance, and instruction, will be presented at SLDT 2019.

SLDT conferences are popular for their selection of breakout sessions tackling the most important issues facing educators, presented by carefully selected subject matter experts with experience in those topics. Presentations ranging from academic researches to real-world case studies will keep you engaged and engrossed.

We welcome all papers on the topic of Learning Design and Technology to be presented at SLDT 2019. Submit an abstract and make a presentation at our annual conference now.

SLDT Keynote Speakers:

Dr. Chanita Rukspolmuang, Professor Emeritus and Vice President in Academic Development, Siam University

Dr. Jeremy Pagram, Associate Director, School of Education in the Faculty of Education and Arts, Edith Cowan University
