With all travel restrictions removed, now is the best time to plan your trip to Singapore, one of the Instagrammable place in the world!

We're pleased to announce that the 2023 Singapore Conference on Applied Psychology (SCAP 2023), organized by East Asia Research and supported by the Singapore University of Technology and Design, will be a hybrid conference happening in Singapore from December 7–8, 2023! Learn from the masters of Applied Psychology at the premier conference for the global Applied Psychology community.

The theme for SCAP 2023 is "Psychological Well-being". We invite researchers and practitioners from all fields of psychology research and practice to present and discuss recent innovations, trends, concerns, practical challenges encountered and the solutions adopted in the field of Applied Psychology, with a special focus on 'Psychological Well-Being'. This can include clinical and non-clinical psychological well-being and we encourage submissions that cross disciplines, for example, psychological well-being in education and the workplace.

Join us for SCAP 2023 at Holiday Inn Singapore Atrium, Singapore, and walk away with powerful knowledge that will empower you to forge the path for the future of Applied Psychology. Limited seating may apply. 'BUY TICKET' now. Don't wait – this rate won't last long!
