Sponsored by: Pixel

The objective of the Conference is to promote transnational cooperation and share good practice in the field of the application of Information and Communication Technologies (ICT) to Language Learning and Teaching. The Innovation in Language Learning Conference is also an excellent opportunity for the presentation of previous and current language learning projects and innovative initiatives.

Two days of inspiring sessions in the framework of a highly interactive onsite and online conference experience will be delivered. Enhanced digital contents will give participants greater access to learning، sharing and networking.

All accepted papers will be presented on-site and on-line.
Interactive Questions and Answers sessions will follow each paper presentation.
Poster Presentation Sessions will also be held، on-site and on-line.
Networking Opportunities will be organized.

All accepted papers will be published in the Conference Proceedings with ISBN، ISSN and DOI codes. The publication will be included in Academia.edu and indexed in Google Scholar. The Proceedings will be sent to be reviewed for inclusion in the Conference Proceedings Citation Index by ISI-Clarivate – Web of Science
